CBIZ & MAYER HOFFMAN McCANN P.C. CONSTRUCTION INDUSTRY SERVICES

Operating a successful business in the construction industry means conquering today's challenging conditions – rising costs, fierce competition, maintaining positive cash flow, changing regulations, labor issues and more. CBIZ and Mayer Hoffman McCann P.C. (MHM) can help you overcome these obstacles.

We work with contractors and firms of all types and sizes. While our experience is broad, it is also deep. We help to ensure your company's individual goals and objectives are met by immersing our experts in your business to gain a thorough understanding of your needs and by tailoring our approach accordingly. It is our well-rounded knowledge of the construction industry and our personal commitment to understand your unique business that enables us to provide the highest caliber service.

Experience

Much like you choose a craftsman who is an expert in their field, CBIZ and MHM are experts in construction accounting. With more specialists possessing the Certified Construction Industry Financial Professional (CCIFP) designation than any other

accounting provider in the country, we won't waste your time training our professionals on the nuances of the Construction industry. Our dedicated construction practitioners serve over 750 construction clients nationally, representing the full spectrum of the Construction industry. Among the construction entities we serve are:

- General Contractors
- Electrical Contractors
- Heavy & Highway Contractors
- Mechanical Contractors
- Concrete Contractors
- HVAC Contractors
- Residential Builders
- Architects
- Engineering Firms

CBIZ and MHM have built strong relationships with many of the leading construction trade associations, sureties, banks and insurance companies. Our construction experts are regularly called upon to speak at national conferences, author articles for trade publications and instruct continuing education courses for the construction industry.

At the end of the day, our name is only as good as the reputation it upholds – a reputation built from years of outstanding service to construction companies around the country.
