Executive Risk

Protecting individuals and organizations from the risks of serving in executive positions.

As a business executive or board director, you face numerous financial, operational and strategic risks resulting from the key position you hold. Knowing what they are, their impact, and ways to manage them can significantly safeguard your personal and professional bottom line.

The Risk Management Group at CBIZ Insurance Services, Inc. protects individuals and their companies against executive, management and other professional liability exposures. Partnering with clients, we anticipate and navigate challenging situations so you have the necessary coverages in place. By analyzing your operations, we identify needs and develop tailored solutions to protect corporate and personal assets.
