CBIZ Innkeepers Insurance

Protection for inns, boutique hotels, bed & breakfasts and resorts - covering both personal and business assets!

As an innkeeper or owner of a hospitality business, you may be overseeing a number of operations, each with its own risks. In addition to managing rooms and guests, your business may include a restaurant, event services and other amenities which bring about additional exposures. The CBIZ Innkeepers Insurance Program helps ensure you have all your risks covered.

Being a true partner and the largest insurer of innkeepers, we speak your language. In fact, we developed our policy after talking directly to innkeepers about their insurance needs. By staying engaged in the industry, we continue to evolve our policy to ensure it provides the most comprehensive coverage. We serve as your trusted advisor to help insure against the hazards that threaten both your personal and business assets.
