

Local Services supported by National Resources

Life Sciences Insurance

Focus on what truly matters – creating lifesaving medical products, devices and pharmaceuticals.

Rapid innovation, regulatory requirements and complex products or clinical trials means you face critical exposures on a routine basis. Our risk advisors are committed to protecting your business, research and resources. We partner with you to identify, mitigate and manage risk throughout your organization's life cycle.

Some of the key benefits we offer life science clients:

- Local experts focused on the life sciences industry who understand your specific needs, and offer one-on-one comprehensive advice and personalized solutions.
- Relationships with global insurance market allowing us to negotiate the best coverage and pricing for your business.
- Partners dedicated to helping you navigate industry challenges and maximize your risk management dollars.

Whether it's traditional insurance such as property, commercial auto or workers' compensation, or more specific coverage like directors & officers liability, products/clinical trials liability, foreign liability, or intellectual property, we tailor solutions to safeguard your specific business risks. When you rely on our team of experienced professionals, you get a trusted advisor committed to positioning you for optimal coverage, pricing and growth.
