

A photograph of a bed with white linens and pillows. The bed is in the foreground, and a window with curtains is visible in the background. The lighting is soft and natural, suggesting a bright day.

Does your insurance policy  
**thoroughly**  
**protect**  
your short-term vacation rental

# A Comprehensive Policy that covers the gaps

## Property?

Do you have replacement cost coverage on your building and contents?

## Liability?

Are your limits adequate to cover legal and medical expenses?

## Amenities?

Does the liability cover injuries from amenities like a pool, hot tub, bicycle, or even your pet?

## Income?

If you have an insured loss, will your rental income be replaced?

## Can you check every box?

We are the first broker to develop a policy to meet the needs of vacation home rental property owners and to cover the amenities offered by their business. Contact us to find out how easy it is to protect your vacation home with a policy from CBIZ Vacation Rental Insurance.
