

# CBIZ Transit & Parking Account Services

## FINANCIAL FLEXIBILITY FOR FARE

Commuter benefits plans help your employees get to work with ease — and save you money too.

CBIZ Transit & Parking Services allow employees to reduce their monthly work-related commuting expenses, including bus, train, subway, vanpooling, like uberPOOL and Lyft Shared, and parking costs, while providing you with tax savings and an enticing employee recruitment and retention tool.

### CBIZ Transit & Parking Services Help Your Business

- Save money on payroll taxes
- Enhance employee engagement
- Save time with paperless administration
- Add depth and flexibility to your benefits plans with minimal effort

#### VERSATILE CONTRIBUTIONS

Our commuter benefits plan allows both employer and employee contributions. Participants can quickly and easily change their contribution amounts, and unused funds can be carried over.

#### MOBILE APP

Our industry-leading mobile app gives participants the ability to manage their transit and parking accounts on the go, including transferring funds to transit supplied fare media.

#### BENEFITS DEBIT CARD

Our benefits card is a convenient, IRS-compliant, automatic method for participants to pay for qualified transit and parking expenses. Plus, the same card can be used with our FSA, HSA, and HRA accounts.

#### CONVENIENT PLANS

CBIZ Transit and Parking Accounts can be used anywhere, eliminating the hassle of managing multiple plans with different local transit services.

*CBIZ Flexible Benefits Services integrate with our HCM and Payroll solutions, giving you the technology and support to simplify administrative burdens.*
