

# CBIZ Flexible Benefits Health Shopper SIMPLE. HELPFUL. CONVENIENT.

## CBIZ Health Shopper enhances your employee experience by making the most of their healthcare dollars.

Health Shopper maximizes your employees' Flexible Spending Account (FSA) and Health Saving Account (HSA) dollars by making it easy for them to learn about, shop for, select, and purchase FSA and HSA eligible retail items.

Choosing eligible, useful, and valuable health care products shouldn't be a guessing game. With Health Shopper, participants can quickly identify qualified products, confidently choose what will work best for them, and conveniently complete their purchase. Health Shopper is easily accessible through our employee portal and *My Plans by CBIZ* mobile app.

### Help your employees shop smarter with Health Shopper.

- Save your employees' time. Health Shopper helps participants find the products they need quickly and easily, as well as seasonal recommendations.
- Health Shopper purchases are made through Amazon and participants can take advantage of their Amazon Prime benefits, including free two-day shipping!
- Only FSA and HSA eligible products are found on Health Shopper, so participants never need to wonder whether they can purchase listed items with their FSA or HSA funds. But if there is ever any doubt, they can use the handy Eligible Expense List tool to double-check!
- Save your employees' money, too. By using Health Shopper, participants are not just finding FSA and HSA eligible products, they're also getting them at the best price!
- Health Shopper has FSA and HSA calculators to help participants understand their account, set savings goals, and make the most of every dollar. Plus, there are helpful blog posts and FAQs available.

*CBIZ Flexible Benefits Services integrate with our HCM and Payroll solutions, giving you the technology and support to simplify administrative burdens.*
