Long-Term Care Insurance for Peace of Mind

Planning for Tomorrow by Preparing Today

None of us want to think about ever needing long-term care, but the statistics are sobering. There is a 1 in 1200 chance of ever experiencing a house fire, a 1 in 240 chance of being in a car accident and a 1 in 2 chance of needing long term care in our lifetime.

At a cost of over $80,000 a year and rising a potential long term care need could wipe out your retirement savings. You would never go without homeowner’s or car insurance, so why would you leave your livelihood at risk?

Long term care insurance provides you with the peace of mind of knowing that if the need ever arises you and your assets are protected.

Planning now while you are healthy provides you with options. It gives you the opportunity to make your own choices of where and how care will be provided for you without having to put a strain on your loved ones. Call today and learn more of the long-term care insurance options that are available to keep you, your family and your future secure.
