

CBIZ Property & Casualty

National Education Practice

The CBIZ National Education Practice is a specialty group within CBIZ (NYSE: CBZ), one of the largest publicly-owned property and casualty insurance brokers in the country.

At CBIZ Insurances Services, Inc., we are industry experts at providing insurance and risk consulting services to a wide variety of educational institutions. Our portfolio of clients includes both tax-funded as well as privately owned schools.

ESTABLISHED SUCCESS

CBIZ has over 25 years of experience working with educational institutions from across the U.S. Our client list within this market includes approximately:

- 70 public school districts
- 10 colleges
- 33 private or charter schools

SERVICES PROVIDED

We provide all lines of insurance services to educational institutions, including:

- Educator's Legal Liability
- Property
- Inland Marine
- Computer Hardware/Software
- General Liability
- Bus/Vehicle
- Workers' Compensation
- Network Security
- Employment Practices Liability

RISK CONSULTING SERVICES

CBIZ provides an array of loss prevention and mitigation services designed to minimize the impact of your total cost of risk against your financial performance.

We believe that insurance is only one component in your risk management strategy. The best way to prevent unnecessary costs is to begin with a proactive risk analysis. This strategic approach takes into account all risk management costs embedded in your budget, in addition to your insurance costs. The risk analysis allows us to see a clear road map ahead and helps us identify the best way to navigate away from the unexpected. Our risk consultants can assist with:

- Risk Management
- Risk Evaluation
- Risk Quantification
- Risk Analysis
- Proprietary Risk Assessment Process
- Enterprise Risk Management
- Captive Approach Study
- Self-Insurance Evaluation

With more than 4,100 associates in 100 offices across the country, CBIZ's resources and services are uniquely suited to support the growth and success of our clients.

You can rely on the CBIZ National Education Practice to provide you with the resources of a national broker and the outstanding personal attention of a local office.
