

Connecting small businesses with big benefits

Every organization should have access to robust employee benefits options and an online system for employees to manage their benefit decisions. That's where CBIZ Access can help. CBIZ Access connects your organization with high-quality benefits no matter the participation level, simplifies your HR processes by taking you paperless, makes benefits and payroll administration more efficient through technology, and engages your employees with user-friendly mobile applications.

CBIZ Employee Benefits provides employers of all sizes with benefits expertise integrated with efficient HR technology to enhance the employee life cycle from hire to retire.

CBIZ ACCESS SOLVES THESE COMMON CHALLENGES

- Accessing benefits that retain the best employees in the market
- Administering benefits and HR tasks without paper
- Giving employees an easy, streamlined benefits enrollment experience
- Dealing with employee questions about benefits throughout the year
- Improving employee health resulting in lower costs for the employer
- Managing benefits and payroll data seamlessly

Highlights of the CBIZ Access Platform

Big Benefit Access

Access to high-quality benefit programs with no participation minimums

Online Enrollment

Real-time dashboard gives you a high-level view of your employees as they move through open enrollment

Supports All Benefits

Online enrollment in all benefits, including medical, dental, vision, life and other voluntary benefits

Totally Paperless

Built-in, paperless form-signing with forms that pre-populate with employee information

Employee Experience

Engaging employee experience during enrollment and throughout the year

Built-In Communications

Send individual or bulk messages, save templates, and track open and click-through rates

Mobile App

Employees can access all benefits info on the go so they can stop carrying around ID cards

Carrier Connections

EDI connections to both medical and ancillary insurance carriers for safe transmittal of employee data

Optional: Telemedicine*

Teladoc, the first and largest telemedicine provider, tackles the biggest problems in health care: access, quality and cost.

*Available for an additional monthly cost

Optional: Concierge Service*

Health Advocate helps employees save money on out-of-pocket health care costs and navigate their benefits.

*Available for an additional monthly cost
