Wednesday, June 3, 2026
8:00 AM – 12:00 PM

The **CBIZ Women's Forum** is a breakfast event geared to executive women, featuring nationally prominent speakers on topics essential to women's personal and professional well-being.

The State Room

60 State Street | Boston, MA

Keynote Speaker
ERIN BROCKOVICH

Iconic Environmental Activist
& Consumer Advocate

Erin uses her life experiences to motivate and bring inspiration to audiences worldwide, providing lessons on her four steps to success, her motto for resilience and perseverance, and advocacy for the causes that matter. Her motto comes from famed biologist Rachel Carson:

"We are challenged as mankind has never been challenged before to prove our maturity and our mastery, not of nature, but of ourselves."

Say the name Erin Brockovich and you think, strong, tough and stubborn. Erin is all that and more. A formerly unknown legal researcher who became a 20th century icon overnight thanks to Julia Roberts Oscar-winning tour de force, Erin's dogged persistence was the impelling force behind the largest medical settlement lawsuit in history.
